Delve Away Beneath the Surface

There is Treasure Farther Down

Let the Threat'ning Heavens Frown

When the Clouds Have Rolled Away

There will be a Brighter Day

All your Labor to Repay

Keep Pluggin' Away

(end) There will be a Brighter Day

Rain Come Down, Heavens Frown

Part 3

Moring Song

Melody:

The red dawn now is rearranging the sky
The red dawn now is rearranging the sky 

Thought by thought, beauty by beauty,
Each sunrise a link in the ladder 

Thought by thought, beauty by beauty,
The ladder the backbone of a shimmering deity 

Thought by thought, beauty by beauty, 

Child stirring in the web of your mother
Do not be afraid
Old man turning to walk through the door
Do not be afraid 

Thought by thought, beauty by beauty,
Each sunrise a link in the ladder 

Thought by thought, beauty by beauty,
The ladder the backbone of a shimmering deity 

Thought by thought, beauty by beauty 

Beauty by Beauty 

Accompaniment:

Ooooooo

Da da ooo, da da ooo ooo

(Rest during 3rd verse)

Da da ooo ooo, da da ooo ooo
ooooooo
